Core Team/Agencies

INSPIRE KICK-OFF

The Planning Department (DOP) will introduce INSPIRE. Attendees will have an initial dialogue about the strengths, weaknesses, and opportunities of their area. Participants will be invited to sign up for the *INSPIRE Core Team*.

- Residents can submit project ideas by email
- Residents can take the INSPIRE survey for their area
- Student workshops are held at the school
- Outreach is done at Neighborhood Association meetings, community events, etc.

FIELD STUDY

DOP will lead walking audits in order to inventory site specific issues and opportunities in the area. City agency representatives will be invited to give technical assistance for specific issues when necessary.

- Summary Report about the LISTEN phase is shared with public for feedback

FEEDBACK MEETING

The INSPIRE Team and Planning Department will present the draft plan recommendations. Everyone is encouraged to provide feedback.

- Summary Report about the CREATE phase is shared with public

EXPO

The Core Team will present the priority recommendations. Boards and tables will be set up for community members to learn more about each project.

- Priority recommendations will be posted online

CELEBRATION EVENT

The Draft Plan will be presented to and reviewed by community members. The community's commitment will be celebrated with food and music. Community members will vote to rank their priority projects and recommendations. INSPIRE funds will be allocated to highest vote-getting projects.

LISTEN

CREATE

DELIVER

ORIENTATION

Core Team members will be introduced to the Core Team Schedule and responsibilities. Planners present baseline neighborhood data.

DRAFT PLAN

Using the information gathered from community input and field work, members will draft initial plan recommendations.

REVISE PLAN

Members will work with the Planning Team to further develop plan recommendations.

CELEBRATION DAY PREP

Core Team members will prepare for the Celebration day and spread the word to the at-large community.

AGENCY PREP

Agency representatives will meet with DOP to discuss initiatives in the INSPIRE school area, the plan for field study, and expectations for moving forward.

AGENCY Workshop Session #1

Agency team and DOP will review and further define Core Team's draft recommendations.

AGENCY Workshop Session #2

Agency team and DOP will finalize recommendations.

PLAN ADOPTION & IMPLEMENTATION

Stakeholders will review the final draft plan document prior to adoption by the Planning Commission. Team including Core Team members, agency staff, and DOP will meet regularly to track progress for the implementation of the priority recommendations.
